

Fundraise for the Michael Palin Centre

www.michaelpalincentreforstammering.org/giving

1

Choose your fundraising idea

A sponsored run, talent show, a car wash or cake sale. Get creative, choose an idea **YOU find fun**.

2

Decide a fundraising goal

It can be motivating to aim for a goal and share that with your friends and family.

3

Create a JustGiving page or a paper record

Go to justgiving.org to set up a fundraising page. Select Whittington Health Charity to raise for the MPC. Or use a paper document to collect information. Share with your friends and family - and with us. We love hearing your stories!

4

Spread the word

Share your story about why you are raising money for the Michael Palin Centre. Keep your JustGiving page updated with your fundraising activities. It will encourage more people to donate!

5

Say thank you

Remember to say thank you to everyone that donates. And a big thank you from us!

6

Pay in your money

We've included details on the page below

Community

Offer services like dog walking, gardening, car washing, tech help or pet sitting for donations

Sponsored challenge?

Complete a local park run, a cycle, an obstacle course or a spelling challenge - and ask for donations

5-a-side football/netball tournament?

Organise a tournament for pupils, teachers and parents. Simply pay to play. You could even set an extra challenge like a penalty shootout for an extra donation

Bake sale?

Bake and sell your favourite treats for a donation

Paying in your fundraising

JustGiving

Once you've set up your page you don't have to do anything. Choose Whittington Health Charity as they transfer all your donations to us.
